1. Begin at the University of Houston College of Education home page:
<https://uh.edu/education/>
 2. Along the top tabs, click “Degrees & Programs,” which will lead you here:
<https://uh.edu/education/degree-programs/>
 3. Click “Apply Now- graduate”
<https://www.uh.edu/graduate-school/admissions/how-to-apply/index>
 4. Click the red button labeled “Apply Now”
-

This will lead you to the portal for submitting applications to the University of Houston. Please create a new account or use an existing account. Once logged in, follow these next steps:

1. Fill out all the demographic information on the first page, then proceed to the “Program Selection” page.
2. Select the College of Education link.
3. This leads to a new subsection of links- select “Curriculum & Instruction- MEd.”
4. The portal will ask you to select a start term. Choose “Summer 2025” and save the selection.
5. When prompted to choose "Specialization" area, select UH PDEE from the drop-down menu
6. When asked if you are applying for a certification program, select "yes" and then select, "UH PDEE certification pathway" from the drop-down menu

You have now selected your program area. At this point, you may continue with the application or save and finish it later.
