Watch for this weekly newsletter from the UH Graduate School with important information for graduate and professional students. Each week, new items are in red.

Upcoming Professional Development:

Get involved with the Graduate and Professional Student Association (GPSA). Attend a monthly GPSA meeting to learn more. Second Monday of each month from 4-5 pm. Next meeting is **Monday, October 9 from 4-5 pm**. Join via this Teams [link](#).

DISSEMINITY Launch (Virtual): Learn more about the Disseminity resource to use Artificial Intelligence (AI) based technology to support research writing skills. If you are writing your dissertation or working on a manuscript based on your research, this may be the tool to help you make progress. Register [here](#) to be sent more information about these sessions which will be held on **Wednesday, September 27** at 11am and 3pm (same session at each time).

Data Management Best Practices: Management of research data is a critical component of effective, sustainable research and a necessity in the current research environment. Santi Thompson, Librarian and Associate Dean for Research and Student Engagement at UH Libraries, and Claudia Neuhauser, Interim Vice President for Research and Director of the HPE Data Science Institute, will lead an interactive workshop on the essential elements of data management for UH researchers across disciplines along with available resources and guidance. **Date/Time: Friday, Sept. 29, 10-11 am** via zoom; Register [here](#).

Cullen Fellowship Travel Grant: The [Cullen Fellowship Travel Grant \(CFTG\)](#) is accepting applications. The CFTG is a competitive fellowship program established to support graduate student travel to meetings, conferences, performances, and exhibits to showcase their research and scholarly work. The CFTG is open to all master's, doctorate, and professional students. Applications are due **October 2, 2023**.

3MT Info Session: Getting Started with your 3MT Presentation (Virtual): The UH Graduate School will hold an info session for the 2023 3-Minute Thesis or 3MT competition. In a 3MT competition, graduate students explain their research to a non-specialist audience in just three minutes. Besides the time limitation, students are also limited to a single static PowerPoint slide with no additional electronic media or props. Register [here](#) to learn more. The session will be recorded and all registrants will receive a link to access the presentation. Date: **Thursday, October 5, 12-1:15 pm**
