

COMPLAINT 21-SE-10

Petitioner(s): Nini Dang

Respondent(s): Daniel Johns

The following allegations were filed:

Article 4, Section 2, Clause 1: *A member of the Student Government Association may not participate in or assist an organization in campaigning on behalf of their cause.*

The following evidence was provided by the petitioner:

Daniel Johns posted photos on instagram to discuss his campaign efforts in favor of a no recall vote for Arsalan Darbin. He uses foul language as well as slandering.

Course of Investigation: I examined the Petitioner's evidence and reached out to the Respondent for a defense. I went through the Special Election Code and identified if a violation was present.

Decision October 29, 2021 at 3:00am : Petitioner's complaint **LACK** merit, and this **IS NOT** a violation of the Special Election Code.

Sanction: N.A

Conclusion: I did not reach out for a defense statement because this person is not a member of SGA. I have no jurisdiction over non-SGA members under the Special Election Code.

Respectfully,

Nadiia Hutcherson

Attorney General
