

Job Title	Associate Mitigation Specialist
Employer/ Agency	Atlantic International Associates
Job Description	<p>Atlantic International Associates, established in 2018 and headquartered in Houston, Texas, supports capital defense teams in developing mitigating evidence for indigent defendants facing the death penalty and juveniles facing life sentences. Our work spans pre-trial and post-conviction cases in state and federal courts across Texas and beyond.</p> <p>As our capital defense caseload grows, we seek a highly motivated individual in Texas for a contract position as an Associate Mitigation Specialist. This role involves periodic and consistent fieldwork.</p> <p>Position Details:</p> <ul style="list-style-type: none">• Role: Associate Mitigation Specialist• Location: Texas (fieldwork required)• Type: Contract position (not salaried or remote)• Responsibilities: Conducting client and social history witness interviews and other case-specific tasks.• Other: While some remote work is available, residence in Texas is necessary
Qualifications	<p>We are open to considering candidates who possess strong skills in other areas, even if they do not have the exact qualifications of an attorney, LCSW/MSW, or an experienced mitigation specialist. While these are our ideal qualifications, we recognize that diverse perspectives and experiences can be equally valuable. If you have transferable skills and strengths in fields such as journalism, anthropology, sociology, psychology, law, critical race studies, gender studies, or other relevant disciplines, or if you have pertinent lived experiences, we encourage you to apply. We believe that a range of backgrounds can bring unique and important insights to this role.</p>
